

Mt. Druitt Workers Club

One Day Bus Tour

Thursday 14th May

Tobruk
Australian Merino

Sheep Station

Departing from the Club at 9.00am, we travel the outer western suburbs to Maroota and the Tobruk Australian Merino Sheep Station. Set on over 150 acres on a high plateau above the Hawksbury River, Tobruk is surrounded by State Forests and bushland, with amazing views to the Blue Mountains.

Take some time to reminisce over the charm of the rustic buildings, the blacksmiths shop and farm machinery, the warmth of the open campfire in Drovers Camp and enjoy billy tea, freshly baked damper with cockys joy (golden syrup) on your arrival.

Enjoy the demonstrations of mustering and yard work - see the sheepdogs working to bring the sheep into the shearing pens, enjoy the demonstrations of sheep shearing where you learn about one of Australias biggest and oldest industries and maybe even try you hand at shearing.

After a thoroughly enjoyable true Aussie BBQ lunch prepared by your hosts at Tobruk, you can then join in the afternoon activities of whip cracking and boomerang throwing.

After a full day at the station, we will rejoin our coach for a leisurely drive back home, arriving back at the Club around 5.30pm

COST: \$60.00 (members) \$62.00 (non members)

INCLUDES: Air conditioned Coach Travel

Morning Tea

Hearty BBQ Lunch

All Activities

BOOK EARLY - SEATS LIMITED
