One Day Bus Tour

Thursday 24th September

Tulip Time In the Southern Highlands

Departing from the Club at 8.30am, our destination is the Southern Highlands. Our first stop will be Braemar Garden World for our first splash of the Highlands Spring colour. Here we will enjoy a beautiful morning tea of freshly made scones with tea and coffee before browsing the garden displays and gift shop.

We then tour the Bowral and Mittagong area, taking in the magnificent spring colours from the comfort of the coach before travelling to the local club where we will enjoy a fabulous two course lunch.

After lunch, we visit Corbett Gardens, the showpiece of the Bowral Tulip Time Festival, a festival that has supported local charities for the past 49 years.

The garden will be awash of colour and a spectacular display of over 100,000 tulips and 25,000 annuals, with the afternoon free to explore the many displays.

We will rejoin our waiting coach for a leisurely journey back to the Club, arriving at around 5.00pm.
