

Mt. Druitt Workers Club

# One Day Bus Tour

Thursday 16th July

## Traditional Xmas In July

Departing from the Club at 8.30am, we travel north, stopping for morning tea at one of the many great vantage points the Central Coast has to offer.

We will then travel to Wyong to be welcomed by our host at the beautiful Strathaven Heritage Resort, nestled on the banks of the Wyong River. Enjoy a guided tour of this grand stately mansion, which is filled with atmosphere and history of a bygone era, before being seated for a traditional Christmas In Winter Luncheon with all the trimmings and enjoy the wonderful entertainment provided.

After a wonderful day, we will leave for our journey home, arriving back at around 5.00pm.
